The Dead Cat

A couple were on their way to a luncheon at a restaurant in an area mall. As they were driving on a curvy road, they ran over a cat. They stopped the car in this residential section and were tempted to just drive on. However, they felt they needed to tell someone, so they went up to the home near where the cat was laying and told the resident of the home what had happened. It was the owner of the cat. The people who ran over the cat asked if there was anything they could do. The elderly resident asked if they would take care of disposing of the body of the cat. They went back out to the street and picked the dead cat up and put it in the only bag they had in their car, which was a Nordstrom’s bag (an expensive clothing store). They then decided to keep their luncheon and take the cat to the animal shelter after lunch.

When they arrived at the mall, they parked in front of the restaurant. They took the Nordstrom’s bag with the cat in it and laid it on the hood of their car in case it should start to smell. In the restaurant they could see their car. They noticed a Mercedes Benz pull up next to their car and a finely dressed woman get out. The woman saw the Nordstrom’s bag, looked around, grabbed the bag without looking in it, and proceeded to walk into the same restaurant the couple were in. This wealthy woman had evidently thought that she had stolen

PASTOR'S COLUMN CONTINUED

something of great value and placed the bag by her feet after sitting at a table close by the couple. The couple didn't say a word but watched this lady. The lady ordered her meal and was served. Her curiosity got the better of her and she could not resist looking into the bag to see what expensive item she would find.

She leaned over to peek in the sack and fainted dead away.

The manager called an ambulance which arrived within minutes from its station a couple of blocks away. The ambulance attendants gathered up the woman and her personal effects. As they placed the unconscious body into the ambulance, she began to come around just as they placed the Nordstrom's bag containing the dead cat onto the middle of her chest.

"... You can be sure that your sin will find you out" (Numbers 32:23).

So always live a life above reproach. You can overcome all sin and temptation through Jesus Christ and his blood that was shed for you! Don't buy into the lies of Satan. Stand up to the enemy! Let the Holy Spirit fully empower you today and give you strength that only He can give, so you can live a life above reproach!

God Bless,
Pastor Bill Hines

Answer: "...fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinners, so that you will not grow weary and lose heart." Hebrews 12:2-3, NIV

SEASONAL

Without Jesus ...

Without the risen Savior in our hearts, life is like:

- A chocolate Easter Bunny — empty on the inside;
- An Easter bonnet — easily blown off kilter;
- Last year's Easter outfit — it doesn't quite fit right;
- An Easter lily — it soon withers and dries up;
- A bag of jellybeans — sugary and sweet but lacking substance;
- An unfound Easter basket — full of gifts that spoil and go to waste;
- A colored Easter egg — looks great but cracks under pressure;
- The Easter bunny — always hopping here and there;
- Marshmallow Peeps — becomes hard when opened up;
- Easter parade — a long journey with no destination;
- An unopened Easter card — a message of love unclaimed.

Shine for Jesus
